

BECOME A CLEAN ENERGY COUNCIL MEMBER

SPONSORING MEMBERSHIP

For industry leaders who want to be at the forefront of influence and innovation, and take an active role in the CEC's policy and advocacy agenda.

WHY JOIN?

SHAPE THE CONVERSATION

- Participate in the Policy & Advocacy Advisory Committee, critical to the CEC's overall policy strategy
- A seat at the table for important industry decisions
- Contribute your insight and expertise, helping shape policy through unlimited access to our policy directorates, committees and working groups
- Shape the ongoing strategy and future of the Clean Energy Council through an allocation of 20 AGM votes

EXCLUSIVE ACCESS

- Hold a direct line of contact with the Clean Energy Council CEO, Executive Team and Policy Directors
- Exclusive invites to our CEO Forum Series, featuring special guests from government and industry
- Access to member-only webinars and presentations.

- Unlimited access for your staff to our member portal, with exclusive resources, data and and technical support.
- Access to Women in Renewables programs and scholarships
- Attract industry talent through free job listings on the Clean Energy Careers Hub
- Take advantage of two (2) free tickets to all major Clean Energy Council events
- Member pricing to attend key Clean Energy Council events

BRAND LEADERSHIP

- Position your business as an industry leader
- Your brand and company profile featured prominently at key industry events, on our website, marketing collateral and promotional material
- Opportunities to sponsor our preeminent industry events and host key networking events with industry decision makers.

\$78,000 + GST per year
